01

What is Scout Coffee?

Scout Coffee

Scout coffee is organic coffee roasted locally and fairtrade certified. From Decaf to Espresso, Scout Coffee has it all! By purchasing scout coffee, you will be supporting local groups and families who may not be able to afford the scout programs.

02

Why Scout Coffee?

Why purchase scout coffee?

Scout coffee is organic, fairtrade, and premium choice for coffee. Scout coffee also supports the local scout groups, and the no one left behind campaign. A campaign which helps families be able to afford scouts when they might not be financially able to.

Sizes, Specifications, and Prices

- All singular blends come in two different sizes:

340g: \$18.99

2lb: 36.99

- Knot caffeinated does not come with a 2lb option
- All 2lb options will only have the option of whole beans

The background is a light cream color with a fine, repeating pattern of coffee beans. Scattered throughout are several dark brown coffee beans, some with motion lines suggesting they are falling or floating. In the top right corner, a pink teapot is tilted, with a stream of yellow liquid pouring out. In the bottom left, a yellow coffee pot is shown with coffee being poured into a dark brown cup. The overall style is a clean, modern illustration.
