► Need Volunteers and Camping Gears

We need your help and support to meet our rapid growth on regular programs and administration work. Please let us know if you are interested to be part of our volunteer team. We are looking forward to open our Troop section very soon.

As a new group, we don't have lots of camping gear and funding. Besides pots and pans, we need cooking utensils like can openers, serving spoons, tongs, spatulas and etc. It will be fabulous if you can let us use your camping gear (like tents). Please share any fundraising ideas with us.

► Welcome & Bring-a-Friend

Please welcome Adrian (pack) to our family. You are welcome to bring a friend to experience our program. Please let us know ahead of time, so we can prepare enough materials.

► Congratulation!

Congratulations to Elkan Fok, he won 2nd place in design and 6th place in speed at Richmond Hill Scout Truck Rally 2015.

If you have any question about our program or activity, please send me an email at scouter.henryfok@yahoo.com
