Remembrance Day Ceremony

Remembrance Day is a very important historical event in Canadian history. Carson Lau is so thankful to have the opportunity to lead this year's Remembrance Day Ceremony held exactly on November 11th.

"Game Night was beyond amazing. Seeing every section all planning to win and have fun with each other was brilliant. Hosting this event allowed me to see every team working very hard and developing good friendly bonds. I hope to have more events with the entire Scout group again soon!"

Raikkonen Lau, Game Night Host

On December 1st, our Venturers were invited to a Gingerbread House Building Competition against 2nd Brooklin Scouts!

Way to encourage competitive fun!
